Modesto, California - Stanislaus County District Attorney Birgit Fladager announced today that Donald Lester Boyles admitted he violated the terms of his probation by failing to complete substance abuse treatment, continuing to use controlled substances, failing to register as a controlled substance user and failing to keep probation advised of his current address.

The defendant was originally convicted of possession of methamphetamine and admitted that he had previously been convicted of a serious felony on August 2, 2007, and was placed on three years felony probation. This is his second violation of probation.

Upon the admission, the Honorable Susan D. Siefkin sentenced the defendant to thirty-two months in state prison.
