Approximately 150 law enforcement officers from the above agencies, including MPD, CPD and FBI SWAT teams, the Sheriff's STING team, conducted coordinated residence entries and searches throughout the morning and early afternoon in Modesto and Ceres.

A total of 19 individuals were arrested today on charges including methamphetamine sales and distribution, criminal street gang charges, weapons charges and parole violations.

Contraband seized during the warrants includes:

- 8 guns (including a MAC 10 and a sawed-off shotgun) and ammunition**
- methamphetamine, scales and packaging material**
- two marijuana grows**

-two police scanners

Prior to today's operation, an additional 17 people had been arrested and 10 guns and one pound of methamphetamine seized.
