Modesto, California - The District Attorney's Office Victim Services Program will sponsor the 24th Annual Homicide Victims' Candlelight Vigil on Thursday, December 9, 2021. Due to COVID-19 and concerns about public gatherings, this year's ceremony will be different than years past. Three separate activities have been designed to honor those lost. Family members have been invited to come to our office December 6th – 8th to place their own ornament on the victims' memorial tree and pick up a keepsake for 2021. There will be a live stream candle lighting on December 9th at 6 p.m. with special musical presentations and a virtual Candlelight Vigil and Memorial Video will be available for viewing on the Stanislaus County District Attorney's YouTube Channel. The virtual Candlelight Vigil and related content can be found as follows.

While District Attorney and Victim Services Program staff are disappointed that they cannot bring everyone together, they hope these programs will serve to honor and celebrate the memory of loved ones who were lost in an act of violence. All are encouraged to join us for the streaming event and light a candle in remembrance.

For more information, contact the Victim Services Program at 525-5541.
